- ✓ Participants go to your tipping website and pay to enter a competition.
- ✓ You choose the cost to enter, and you choose the prize money.
- ✓ Every week is a new competition and Funters runs it for you.

### HOW DOES A CLUB MAKE \$10,000 PROFIT?

Your club gets 50 people to join your weekly competition.  
They each pay \$20 to play and you offer \$500 to the winner.  
Funters charges \$30 to run the competition = \$470 profit.
